I hereby authorize the listed repair(s) to be done along with the necessary materials and agree that ACC has permission to operate the vehicle herein described on streets, highway or elsewhere for the purpose of testing and/or inspection. ACC offers a 12,000 mile/12 month warranty on parts, unless otherwise stated. Please note that there is no warranty given on parts when the parts are customer supplied. Labor may be covered under warranty if the part is defective from the manufacturer at the discretion of ACC.

Further, I understand that I must make arrangements to pick up my vehicle within two days of being notified that repairs are complete. Vehicles left longer than two days past the completion date, without prior approval from ACC, will be charged a maintenance fee of 20.00 per day.
