*Verify your local providers at
www.AirMedCareNetwork.com

America's largest air medical membership network, providing the highest levels of care and access for you, your family and your community.

The AirMedCare Network combines the membership programs of four leading air ambulance operators, the largest of its kind in the United States. Through the AirMedCare Network, each company's membership enjoys the benefits of the membership program across a combined 32 state service area.

For those of us living in rural America, our recovery can depend on how much time it takes to be transported to emergency medical treatment. An air ambulance can cut that transportation time in half.

In the event you are flown for a life or limb-threatening emergency, we will work with your benefits provider to secure payment for your flight. Whatever your benefits provider pays will be considered payment in full. Even with medical insurance, an air medical transport can leave you with unexpected out-of-pocket expenses, burdening your finances & family. As a member you will have no out-of-pocket expenses related to your flight if you are flown by any AirMedCare Network participating provider. Each membership applies to any member in a participating company who is transported by another participating company. All members share the same best-selling membership plan, under the same terms and conditions and at the same low price.

- Over 260 aircraft locations across 32 states
- Over 2.6 million network members
- Over 70 years of combined experience
- Most Commission on Accreditation of Medical Transport Services (CAMTS) accredited aircraft locations in any membership network

Our mission is to make it possible for people living in rural areas to get the life-saving emergency care they need, when they need it. Thanks to the support of over 2.6 million members, AirMedCare Network providers can provide financial peace of mind for you and your family...while providing this vital service to our community. Completed enrollment forms may be mailed to: AirMedCare Network P.O. Box 948, West Plains, MO 65775. If you have any additional questions please do not hesitate to contact me.
