I have a 1994 Dark Green Land Cruiser with a Dark Brown cloth interior. Exterior is in good shape for a 18 year old truck, paint is still shiny and clear coat is still all there. I'd say at least a 7/10. Underbody is in great shape, no rust to speak of!

She has 213k miles on the superior 4.5L 1FE although you wouldn't guess it by looking at it's overall condition. It's been serviced regularly and still runs strong! Recent service consists of a oil change completed today to get it ready for the next owner. Transmission still shifts nice and firm, no slipping. Transfer case, center locker work flawless. This one doesn't have the factory front and rear

The modifications include:

- ARB front winch bumper (\$1200)
- Pro Comp Fog Lights (\$200)
- Old Man Emu lift (\$1000)
- Iron Pig front skid plate (\$500)
- Rock Sliders (tubular) welded on (\$1000)
- Nitto Trail Grappler AT's 285-75-16 with full size new spare (\$1000)

Please note, the rear bumper is not on the car as I planned to install an aftermarket one. I do not have it. Aftermarket steel off road bumpers are around \$800. The rear is not damaged at all, it's

As you can see this is not your run of the mill Land Cruiser. It's a beast!

I'm asking a very reasonable \$4800 OBO. This is a steal! Aftermarket parts alone are almost as much as my asking price.

Please don't bother lowballing me, I won't reply. I know what it's worth and won't give it away.

Cash only, local buyers only, I will not ship. Come see it and take it home!

IF YOU DON'T HAVE THE CASH PLEASE DON'T WASTE YOUR TIME OR MINE! That means no tire kickers or window shoppers.

Feel free to TEXT me at 469-236-1203, you can ask me questions or make arrangements to come see the truck.
