

EXAMPLE –

**Toyota Corporation Ltd Manufacturer's Label for
Landcruiser "100 series" Station Wagon**

-- affixed on firewall in engine bay

In this case, the Model Code shows:

HDJ100 = Basic Model Code,

R = Right Hand Drive

G = Station Wagon

N = Lift Up Back Door

A = 5 Speed Auto transmission with floor shift (A750F)

E = VX (actually Sahara in Australia in 2006 but a slightly lesser VX model also was added later)

Z = Multi Valve, Turbocharger, EFI

Q = designates market or destination, Australia in this case
