

## **Disclaimers**

### **1. Use of Technical Information**

The technical information published on this website is intended and made available only to users who have the necessary professional and technical skills, knowledge and qualifications, as well as the necessary equipment and tools. Specific repair or maintenance operations must be performed with the appropriate specified equipment and tools, and replacement parts or components. Any repair or maintenance operation undertaken by any user of this website on the basis of, as a result of or in connection with the technical information published on this website is performed under the sole responsibility of such user, and Toyota Motor Europe NV/SA, any of its affiliated companies and/or any of its national distributors cannot be held liable for any bodily injury, damage to property, loss, expenses or any other damage, or any infringement to any laws or regulations, as a result of any such repair or maintenance operation.

### **2. Warranty information contained within these documents**

Any information which specifically relates to the terms and conditions of any specific warranty action undertaken by Toyota Motor Europe NV/SA, any of its affiliated companies and/or any of its national distributors, and which is included in any document published on this website, does not constitute technical information. Such information relates to past warranty actions undertaken by Toyota Motor Europe NV/SA, any of its affiliated companies and/or any of its national distributors, and, as a consequence, neither Toyota Motor Europe NV/SA nor any of its affiliated companies or any of its national distributors are bound by such warranty actions, or any term and condition thereof. Under no circumstances shall such information constitute any undertaking, commitment or promise by Toyota Motor Europe NV/SA, any of its affiliated companies and/or any of its national distributors to apply, extend or renew such warranty action.

### **3. Upgrade or repair entitlement**

The fact that a piece of technical information which relates to a specific upgrade or repair work for any specific range of vehicles has been published on this website, and that the vehicle belonging or used by a user of this website falls within such range, does not, as such, mean that the user's vehicle effectively needs to be upgraded or repaired or that they would be entitled to such upgrade or repair, whether against payment or under any warranty action.
