- Extra Fluids

Equipment I'd like to eventually add to the Kit:

- Pull Pal
- Bushranger X-Jack or MatJack
- Bubba Rope Synthetic Shackles and 20' Renegade
- Tire Chains/Cables

Trail Ethics

- Drive Responsibly and Tread Lightly
- Drive as Slowly as Possible, but as Fast as Necessary
- Yield the Right of Way to Vehicles traveling Uphill

- Know how to use your Maps and Equipment
- Keep the Vehicle as Level as possible to Maintain Wheel Contact
- Stay on Trails/Roads
- Yield for Hikers and MtBikers and Turn Off your vehicle for People on HorseBack or using Pack-Animals
